

PARENTAL CONSENT FORM FOR PARTICIPANTS UNDER INSTRUCTOR SUPERVISION

BoulderWorld provides young people with the opportunity to experience climbing under supervision of the experienced, qualified instructors.

The benefits of climbing for children include the development of teamwork, self-confidence, trust, motivation and increased levels of fitness.

Climbing enables children to cope with fear and stress and encourages both self reliance and responsibility for others.

However, We are required to state that :

“The British Mountaineering Council recognises that climbing and mountaineering are activities with a danger of personal injury or death.

Participants in these activities should be aware of and accept these risks and be responsible for their own actions and involvement”
